

LETTER OF SUPPORT FOR NEW EASTERN EUROPE

Piotr Gliński
Deputy Prime Minister, Minister of Culture and National Heritage
Ministerstwo Kultury i Dziedzictwa Narodowego
ul. Krakowskie Przedmieście 15/17
00-071 Warszawa

Dear Mr Deputy Prime Minister,

As a community of authors, readers and supporters of the bimonthly magazine *New Eastern Europe* we ask that you positively consider the magazine's appeal from the decision of not granting financial support. The application form (number 70027/15/A1) was filed as part of the 2016-2019 grant programme: "Promotion of literature and readership – magazine".

New Eastern Europe is recognized as an extremely important periodical on the Polish publishing market which deals with the issues relating to Central and Eastern Europe. The main goal of the magazine is to facilitate a dialogue (which includes, to a large extent, cultural dialogue) with Poland's eastern and western neighbours.

The magazine publishes texts written by distinguished Polish and international experts who specialise in the region of Central and Eastern Europe. It also implements a distinct public mission by propagating the democratisation processes in countries that are east of Poland; supporting the Europeanisation of Ukraine, Georgia and Moldova, as well as the independence and democratisation of Belarus, Armenia and Azerbaijan. For these reasons the magazine has been recognised in Poland and abroad as an instrument of building ties and facilitating dialogue between neighbours. What is more, *New Eastern Europe* is also the only Polish journal dedicated to Eastern Europe that has such a wide global reach, with readers and subscribers in nearly 50 countries around the world and a growth rate of 67% of readership year-over-year.

Nevertheless, *New Eastern Europe* is a magazine with a public mission and not a commercial undertaking. Therefore, without the grant from the Ministry of Culture and National Heritage it will be impossible to continue the publication. We are convinced that the future of *New Eastern Europe* and its mission is not indifferent to you. That is why we call on you to make a positive decision in regards to this request.

Sincerely,
